Subject: Archive Sites

The following is a list of sites where the Decision to Archive was made, and data entered into SEMS on or after January 26, 2017. The Site Assessment program has agreed with FDEP that no further federal Superfund actions are required at this time. The sites identified in this list have completed only the site assessment process and have been given a No Further Remedial Action Planned (NFRAP) at the conclusion of the last completed site assessment action, and no other federal Superfund activity is anticipated.
